

# YSTRONG KIDS CAMPAIGN

We build strong kids, strong families, strong communities.

## PROSPECT LIST

A prospect is a potential contributor to our campaign. If you are a new campaigner this year, please list the names, addresses and phone numbers of the people you would like to contact for the campaign. These names can include people in your church, service club, business associates, family, neighbors and friends. If you request them first (except for previous campaigners), they will be in your kit at the kick-off meeting. If you campaigned for us last year, those prospect cards will be in your kit again this year, however, we encourage you to list additional names.
