Annual memberships require a 12-month enrollment.

*YMCA membership is non-refundable & non-transferable.

Members may place a hold on their membership for \$10 per month for up to 5 months in a calendar year. Hold requests must be made 15 days prior to the hold taking effect. A medical leave is available at no cost to those who provide documentation from a licensed physician. Membership holds must be for all members within a membership unit.

The number of adults is limited to two, unless other adults in the household qualify as dependents and are claimed on either of the primary adults' tax return. **Dependents include full-time college students, elderly parents or disabled adult children.
