

# COMMUNITY IMPACT 2023

## Empowering Futures

In 2023, the **WHATCOM FAMILY YMCA** continued to serve the needs of our community in new and important ways—providing child care for working families, delivering food for those in need, connecting with seniors to maintain physical and mental health, reducing health inequalities by providing chronic disease prevention programs to the marginalized, and bringing people together by working to reduce barriers and committing to providing equitable access for all. These are just a few ways are Y has continued to serve like never before.
