

# UPLIFTING LIVES. UNITING COMMUNITY.

In 2024, the Whatcom Family YMCA continued to meet our community's greatest needs — with care, compassion, and commitment.

From early learning and youth programs to food delivery and senior wellness, we're here to support every stage of life. We've strengthened health, expanded access, and created spaces where everyone can belong.

Rooted in equity and driven by connection, we're not just responding to challenges — together, we're building a stronger, more resilient Whatcom County.

**905**

individuals leveled up their swimming game to stay safe from drowning!

**9,405**

volunteer hours were provided by over 900 volunteers.

**1,620**

youth thrived in a safe, nurturing space while parents worked or studied.

**2,408**
