TOGETHER WE STRENGTHEN COMMUNITY

- Financial assistance requests from the community we serve grow each year.
- Awards for child care allow single and dual-working parents to know their child is safe and learning in a happy, enriching environment.
- Camp scholarships provide kids the opportunity to make new friends, try new things and explore the outdoors - all while having fun and building lifelong memories.
- Membership awards and program assistance empower individuals and families to pursue their interests with a focus on staying healthy- regardless of inability to pay.
- In addition to direct financial assistance, we also subsidize mission-based programs that meet critical, unmet community needs, such as our shower pass program.
