### COMMUNITY SUPPORT CAMPAIGN

Every year in the month of March, the YMCA launches its Community Support Campaign. This is the time that the Y raises the majority of the money for the scholarships we offer. This year over 100 volunteers will tell the Y story to the community and hope to raise over \$312,000 to support the families that need us the most.

Last year 9,597 people received \$502,245 in Financial Assistance to ensure everyone had a chance to succeed and belong at the Y. 38% of that money went towards Memberships.

If you would like to support the Campaign, please ask anyone at the Welcome Desk, or contact Tracy Diehl at [tdiehl@whatcomymca.org](mailto:tdiehl@whatcomymca.org).
