

STOP SCROLLING. START CREATING.

The Art of Photography 5-Day Photography Class

We believe teens have stories worth sharing. This 5-day photography course gives high school students the tools to capture moments, explore creativity, & build confidence in a supportive community.

No camera or experience needed; just your perspective and creativity.

Does this sound like you?

- I want to captivate people with my story ☐
- I want to expand my skills in capturing moments ☐
- I want to take the next steps in my creativity ☐
- I am currently in High School ☐
